MEDICAL RECORDS

A screenshot of a mobile application interface for medical records. At the top, there's a navigation bar with a menu icon (three horizontal lines) and a search icon (magnifying glass). Below the header, the title "Medical Record" is displayed in large, bold, dark font. Underneath the title, a subtitle reads "Aarti Saxena's medical history." A summary box contains the following patient information:

Age:	35
Sex:	Female
Weight:	59kg
Blood Type:	B+
Allergies:	Amoxicillin, Sulfa drugs
Blood Sugar:	92 mg/dL
Last Visit:	23-Sep-2019

The main content area shows three recent medical events listed in cards:

- Tetanus Shot** (Icon: Syringe)
Walkin Checkup
Administered on: 23-Feb-2016
- Blood Sugar and BP Check** (Icon: Blood Pressure Monitor)
Routine Procedure
19-Aug-2016
- Influenza** (Icon: Stethoscope)
Walkin Checkup
21-Dec-2016

At the bottom of the screen are three navigation icons: "Home" (house), "Community" (two people), and "Account" (person profile).

FAMILY HEALTH MANAGEMENT

The mobile application interface features a header with three horizontal lines. Below it, the word "Family" is displayed in large, bold, black font. A subtext "Currently tracking 3 family members." is shown in red. Two profile cards are visible: one for "Son Suresh Khanna" with a photo of a young man in a white sweater, and another for "Husband" with a photo of a smiling man with a beard. Each card includes a red "Next Checkup: 28-Nov-2019" badge and a row of icons: a red plus sign, a green phone, and a blue person. At the bottom, there are four navigation icons: a house for "Home", two people for "Community", a gift for "Rewards", and a user profile for "Account".

- 1 Medical Records of all members of the family
- 2 Reminder for Prescription refilling
- 3 Appointments and follow-up dates
